

Fight the Fire – booktalk

Reposted from the [ScotE3 website](#).

Jonathan Neale spoke about his new book “Fight the Fire: Green New Deals and Global Climate Jobs” at a Scot.E3 online public meeting on 12th March 2021. The book is a tremendous resource for climate activists and trade unionists.

You can watch the full video of Jonathan’s talk below. But do read the book – it’s available in hard copy from [Resistance Books](#) – make sure your local bookshop stocks it.

“The most compelling and concise guide to averting climate breakdown.”

Brendan Montague, editor, The Ecologist.

The Ecologist has published the digital version of Fight the Fire for free so that it is accessible to all. [Click on this link](#) to download a PDF or ebook from the Ecologist website.
